

DatOptic EZDVD/EZDVD2 Duplicator

IMPORTANT READ FIRST!!!

The EZDVD/EZDVD2 Pro Duplicator Series source disc must be either an ORIGINAL STAMPED Master or a DVD-R disc that was recorded at 2X speed or lower. Many DVD-R discs in the market cannot be used as Masters Source discs. They are mainly used to record to and not record from. The recommended discs to be used as Master Source discs are Pioneer, Taiyo Yuden, Mitsui and Apple.
