

1. Kit Includes

sBOX-P

eSATA Cable

Rack Keys

Hard Drive Mounting Screws

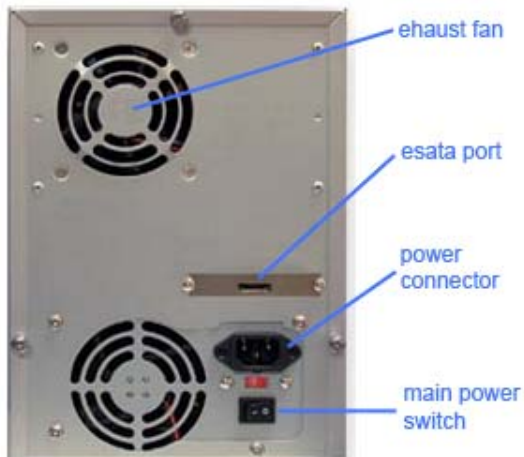

Power Cord

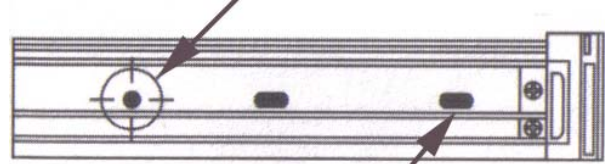

User's Manual

2. Overview

3. Install hard drives with the included screws.

- Slide the S-Trays back into the sBOX-P and push the eject bar down to secure the SATA hard drives.
- Connect eSATA cable to the eSATA connector on the back of the sBOX-P. Connect the other end of the eSATA cable to the eSATA host controller.
- Refer to your controller manual to configure the storage system.
